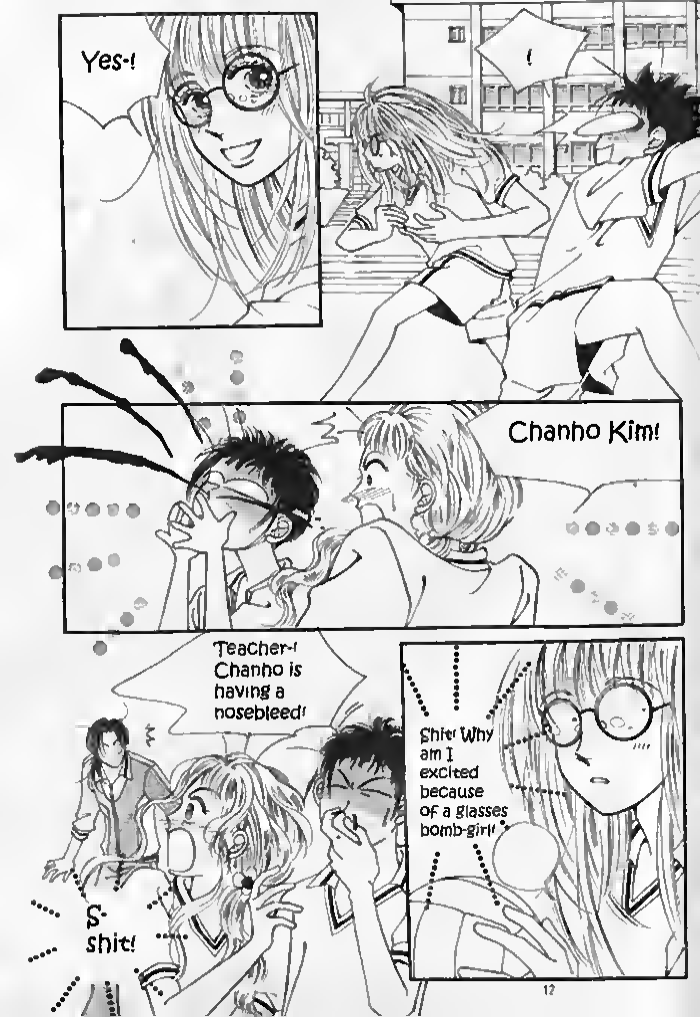
Tarot Cards
The Defective Angel

Oh, yeah!
What do you mean, oh, yeah...?
Sunhoo Min! The son of Taesung Group's boss!
What~? He's the son of some group's boss now?
I'm sure! I've followed Dad to the group one day, and I've seen him there before!

Which group boss would be beaten to a pulp by a Mandu-seller girl like Suyun?
Besides, would a group's boss be related to someone like him? Look at it like that!
I didn't mean that! I meant that Sunhoo is a doppleganger! With the same exact name!
To sum it up, the real Sunhoo Min died two years ago at the age of 17, in an accident!
Of course! That poor girl can't be related to some rich boss!
Soojung! Get the ball!

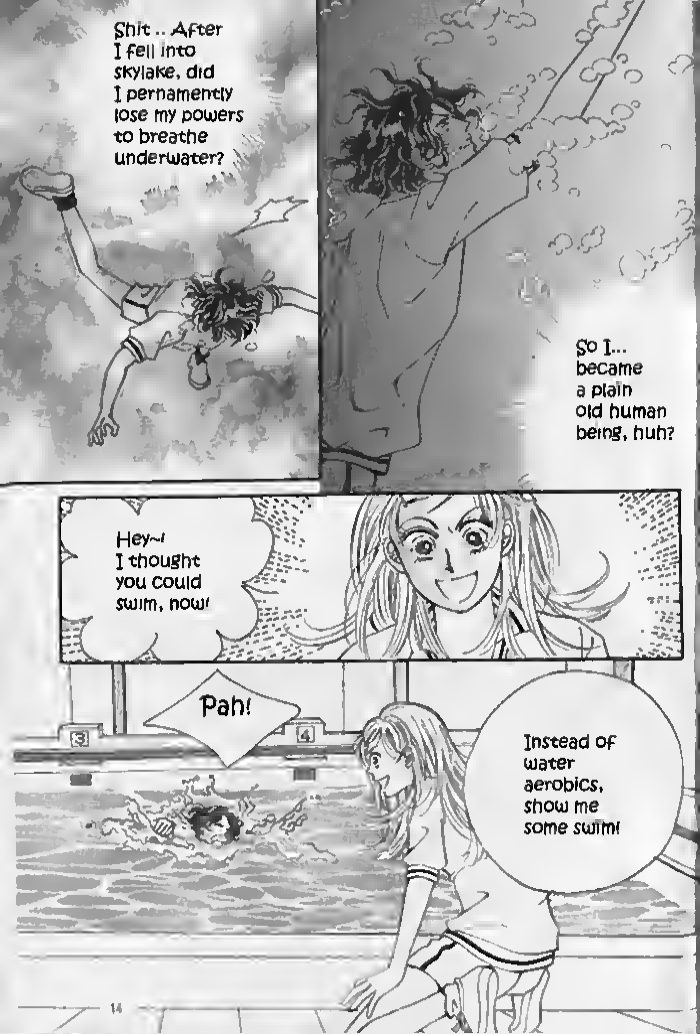


Yes-!
!
Chanho Kim!
Teacher-! Chanho is having a nosebleed!
Shit! Why am I excited because of a glasses bomb-girl!
S- shit!

Go to the nurses' and lie down! In no way could you have studied all night... Don't do it too much!
Do what, teacher?

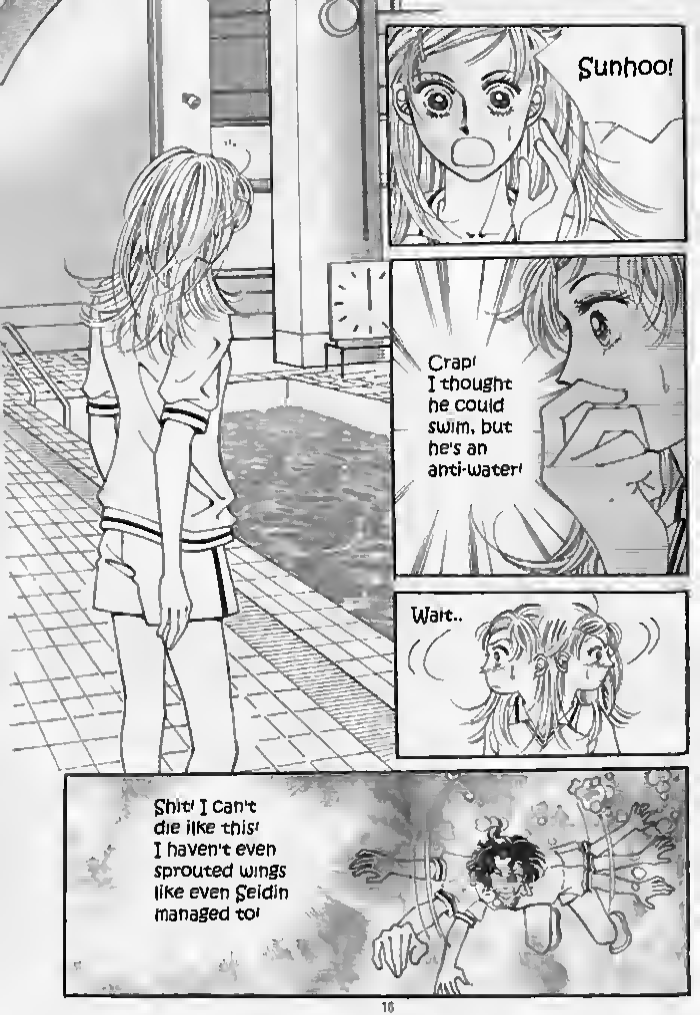
But anyway, why aren't the brats coming back with the ball?

I can't.. Can't breathe!



Shit .. After I fell into skylake, did I permanently lose my powers to breathe underwater?
So I... became a plain old human being, huh?
Hey~! I thought you could swim, now!
Pah!
Instead of water aerobics, show me some swim!

Hup!
Shit! She pushed someone into water, so what is she doing?
Hel..
What, you.. Can't swim?
Sunhoo Min, you're so coy! You're trying to get me soaked as well, huh?
Help me, you bitch!
That f*cking bitch!



Sunhoo!
Crap! I thought he could swim, but he's an anti-water!
Wait..
Shit! I can't die like this! I haven't even sprouted wings like even Seidin managed to!

Yes! That!
And this first now..
I have to live!
!

Dear God, this girl is just evil!
SHIT!
3
SPLASH!

Sunhoo Min, wake up please!
Unh..?
Hey, you-!

!!
How disappointing
UEK!
Uuk..
How pathetic!
Don't tell me you know how to swim! You've never even been in water.. huh?
I almost killed you without meaning to!
You!

My name..
?
You were the one who stole my name!
What?
I definitely saw you at SkyLake! You can't be just a random person!
Don't pretend you don't know, Suyun Jang!

What are you talking about?
Stop joking around and give me back my name!
I saved you from the water, and what are you doing to me?
Ah...?!
